The outcome of the Final Battle in the Age of Darkness is finally upon us. Once again, humans and creatures coexist, and the Elden Ring is born. But its birth place is not the land of Elden, which has long been in shambles. This time, Elden was born in a distant land with the existence of monsters, which was sought after by a mysterious, unidentified race who may be a threat to all of creation. As the last half of the final battle of the Age of Darkness unfolds, a man named, Mark Lance, is summoned to fight in a war of life and death on an island on the edge of the Atlantic Ocean, which resembles a world of its own, and a new fantasy world that welcomes the arrival of Elden. But... he is not the only one there...! Elden Ring: Chaos Ring is an action RPG which allows you to create your own character with ease. The fantasy action game has a vast world with plenty of things to explore, online play where you can meet other players, and a multilayered story with a mystery and an epic drama that will leave you awestruck. Courtney Feir's Story Courtney Feir is a ninth grade student from Carrollton, Texas. She attends Johnny Cook Memorial High School, which is a public school in the Carrollton Independent School District. At the beginning of the 2014-2015 school year, Courtney Feir was diagnosed with the fight against cancer disease. Her journey has been so difficult because she has so many dreams and goals for her future, and Courtney Feir needs help to get through it and make it to the finish line. Because of her diagnosis, she has had to withdraw from a lot of her physical education activities. Her doctor knows that she has a lot of therapy that she needs to be doing, and that is why he has made it clear to her that she will be able to continue to participate in her classes, which is a great relief for Courtney Feir and her family. Because of Courtney Feir's medical condition, her mother is not only assisting with her therapy, but has also had to be a therapist in her own way. Courtney Feir's mom also works full time to help with Courtney Feir's insurance. Courtney Feir is trying to avoid any kind of surgery to go along with her treatment. She wants to focus on getting better and going on with her life. The last thing she wants to do is to be told that she is not doing enough, and that she needs to do more. Her mother has asked Courtney Feir to say that she is going to be a doctor one day, and Courtney Feir has said that this means she is going to be a physician one day. Because Courtney Feir has been diagnosed with a disease like cancer, her doctor bff6bb2d33

this is my favorite game i have played on ps4, it had a lot of glitches at first but it got better as i got used to it.. now its pretty good i need to figure out how to unlock all those weapons and i really just love the bonus songs on easy and normal ive heard them all and ive got all the weapon sets for the graphics are great but what other people have said about the black bars and such is true the game is still a little buggy sometimes but it gets better and the music is great... one thing that sucks is the madden type mode in battles you would have to buy a memory card to store your card if you lose it you would have to start all over which sucks if your a new player like me i just put my bf on and theres no way to stop or pause we need a option to stop fighting and go to the menu and continue the battle where we left off with our best stats save files etc. but overall the game is still pretty good im going to try to add the black bars at the bottom of the screen but its hard cuz its hard to line up haha and everything that you have to download to play is done already btw... its the most epic fantasy game i have ever played and want to play it more but it is a pain in the ass how it is designed hope this helps and i am sorry for the rant i cant help it lol... but it gets better with time and your patience... and also if you have any questions i will gladly help you out with anything you might need help with... take it easy you guys... i want to make this game much better... OLD VERSION CONTROLS: X LEFT PAD Y RIGHT PAD A+ B+ C+ USER+ START 1+2+3+4+Y (6) This game has a MADDEN type Mode where you have to fight other players to win! Instead of the in-game multiplayer you can take your friends offline and challenge them to a battle against you and your best friend. For your friend who is offline you have to manually set them against you so that their friend list shows both of you! Try to beat a medal with your friend name or you have to beat their friends name or they will be considered one of your friends. If your friends name is black you are considered their worst enemy so you are automatically switched against them. The mode is designed
